AS THE WORLD CONTINUES TO MOVE AND CHANGE

Our students at Seabreeze, through studies and extracurricular activities, further their knowledge of our world as it was in the past, as it is now, and as it will be in the future. They are preparing to meet the challenges of the world, by assuming certain responsibilities, and developing themselves into the leaders of our country of tomorrow.

With these rapid changes in our world today is the advancement of education, in order to make better-informed citizens of our students. Thus, as we enter the new school with its highly advanced courses of study, recreation, and activities, let us not forget our old Alma Mater, the school which has given us our beginnings as the future leaders and citizens of America.

LEGEND OF THE SANDCRAB

A sand crab down the beach one day
Went wandering his weary way.
The ocean's roar he heeded not,
Nor tarried he on any spot
To search among the seaweed brown
For lovely seabeans, large and round.

An aristocratic crab was he, With long and famous pedigree; For, written on the page of fame Were stories of a glorious name, Of how his grandfather, one day, To China dug far, far away.

But cared he not for men of old,
This crab of ambitions foretold.
He wanted nothing more than fame
To celebrate his royal name,
Regardless of those both dead and gone,
Whose praises were sung in ballad and song.

'Twas on this day of sun and showers
More famous he rose than mighty powers,
For he was destined far and near
To become to us so very dear
That those from foreign lands would come
And visit his palatial home.

Along the beach, so free and happy,
Not ever at each other snappy,
A boy and girl so gayly came,
He asking her to change her name,
When suddenly the crab they saw
As he stuck out his vicious claw.

The conversation, so romantic,
Became quite suddenly pathetic.
She screamed and clung to him in fear,
To see the crab so very near.
Her cries rang in his ear full blasts:
"Ah, me! Ah, me! Ah, me! Alas!"

He stood and stared, then cried, "I've got it!"
And she, in horror, screamed, "Oh, not it!"
His meaning she did not comprehend,
But all her fears were to an end,
As he to all creation shouted:
"An inspiration I have routed!"

The crab at last had settled down
And very calmly gazed around.
The girl soon saw he meant no harm,
The thought brought back all former charm,
And to the boy, in loving zest,
Said: "Now, please tell me all the rest."

The diplocratic crab retired;
The boy subconsciously retired, admired.
Our crab was blessed with common sense,
Where many are so very dense.
But let me not lead you astray —
It was not love he wished to say.

The students were of S.H.S.,
Considered by all the very best.
A high school annual they had planned,
A name for this was in demand.
The teachers fondly did proclaim
A prize to him who found a name.

With joy the boy said to the girl,
As round he danced in merry whirl:
"We'll name our annual for this crab,
And certainly the prize we'll grab."
The crab, the boy, the girl, won fame,
As "THE SANDCRAB" was the chosen name.

But wait — the story is not done; We are inspired to more than fun, Because this crab a lesson taught, And slackers we have naught, For on the front page printed, big You'll see the letters spelling DIG.

EXPANSION

As Seabreeze has grown in the past, so will it continue to grow in the future, not only in student popuplation, but in spirit and in education.

HE LEADS . . .

"Growth — Change — Transition!!! That has been the order of the day for nearly a decade at Seabreeze. Through it all we have been able to plan and improvise so that our pupils and our graduates would not be unduly handicapped as they crystallize their career aims and go to work or continue their educations. Now with a new senior high school plant coming into being, we are devoting much of our time to the planning of a curriculum which is keyed to the '60's—and to the ensuing decades. A new curriculum, a new senior high school, a fine student body, a capable and dedicated faculty, a cooperative and educationally ambitious community—these are the elements of which the New Seabreeze will be composed. On this basis a proud Past will be continued on into an equally proud Future."

As the success of all organizations is based upon its leadership, so the success of Seabreeze is dependent upon our principal, Mr. Miller. He has encouraged a school where the students govern themselves under the guidance of the faculty and has always taken an interest in the accomplishments of the school and its students. Mr. Miller has led the classes of the past, is leading the classes of today, and will continue to lead the classes of tomorrow at Seabreeze toward the goals which they are seeking.

Mr. Miller with Mr. Gomon, the architect of our new school.

Our parents and teachers are able to meet and discuss with one another through working in this essential organization. As they see the changes taking place every day in our school and in the ways of teaching, they are eager to be of assistance in any way possible.

"Extracurricular activities and the Student Government have grown in importance in Seabreeze over the years. It is a distinct privilege and pleasure to be able to co-ordinate this program and help mold the leadership qualities of our students. No school has more potential student leadership than Seabreeze, and this is a challenge to a Director of Student Activities."

GIRLS AND BOYS STATE

Sponsored by the American Legion, Florida Boys' and Girls' State, held annually at Tallahassee, gives the students who attend valuable knowledge concerning the functions of our local, state, and national governments. Chosen for their leadership, citizenship, and scholarship, Kathy was the candidate for Girls' State, and David, Dean, and Tom were the candidates for Boys' State. It is here, during those seven days of living, working, and learning good government, that our leaders of tomorrow are born.

THE MARCHING '100

"We at Seabreeze take pride in presenting the Marching Hundred directed by Mr. Fred Dean!" These familiar words rang out at every football game this season, as our "show band" proudly marched and perfomed on the field. They were one of the selected feature bands at the "Gator Bowl" in Gainesville; they participated in various parades in and around Daytona; hosted the District and State band contests; made personal appearances; and performed 12 consecutive times with 36 formations, including "Blackout!" Led by Drum Majorette, June Williams, and Head Majorette, Margaret Long, the Marching Hundred continued to keep the highest musical standards in true "Seabreeze fashion."

Live Oak — Live Oak tossed a big scare into Seabreeze in a tense and exciting first game. A case of First night jitters plagued the Sand Crabs, but they had just too much size and depth for the Bulldogs and managed to crawl off with a 19-13 decision.

September 29, 1961

Jacksonville Landon — In a runaway 41-0 victory over Jacksonville Landon's outclassed Lions, the Sand Crabs with "Darting" Billy Bass, "The Horse" Larry Gagner, and tremendous line play by Steve Morrow, Tim Owen, and Ben Dyer showed the fans a preview of a fabulous season.

October 6, 1961

Palatka — In a narrow 7-6 win over an upset minded Palatka eleven in Maroon Stadium, the Sand Crabs proved their defensive ability and, aided by speedster Charlie Cobb who finally cracked the Maroon wall, broke a jinx and defeated an old rival for the second time in eight years.

October 13, 1961

Sanford — On a wet Friday the 13th in Memorial Staium, the Sand Crabs lost to the Sanford Seminoles 20-0 in an exhausting and disappointing game. Injuries to the Crab squad played a decisive role, and they just weren't able to claw their way into pay dirt.

October 20, 1961

St. Augustine — In St. Augustine the Sand Crabs and Yellow Jackets fought a strictly defensive game which wound up as a scoreless tug of war. The game was highlighted by a 54-yard touchdown by Joy Deen, but the play was nullified by an offsides penalty against Seabreeze. Thus our record was extended to 3-1-1 at the halfway mark of the '61-'62 season.

October 26, 1961

Green Cove - The Sand Crabs made the game look re-

cipe simple as they sauntered to a 48-0 victory over a helpless prep crew from Green Cove Springs. The Blue Devils fought hard, but they couldn't stop the Crab backfield led by Gagner and Bass who broke through to score 7 touchdowns and 6 PATs.

November 3, 1961

Deland — In a tough defensive game, a 27-yard Billy Bass to Gary Cates touchdown pass with 49 seconds left gave the Sand Crabs a narrow 7-0 victory over the upset minded Bulldogs in Deland. Both teams played hard ball, but the Seabreeze line with big Charles Rizzo and Dick Sizemore made the difference.

November 10, 1961

Titusville — Topping off a beautiful Homecoming parade, the Sand Crabs scored a 27-0 victory over the hapless Titusville Terriers. Outstanding features of the game were four pass interceptions by Ricky Nelson and Joy Deen for the Crabs. Both the backfield and the line sparkled, making this Homecoming one of the best at Seabreeze.

November 17, 1961

Winter Park — In a wild smothering of the listless Winter Park Wildcats in Winter Park, the Sand Crabs with Billy Bass at the helm proved their prowess and skill by defeating their opponent 47-6. Bass threw touchdown passes to ends Gary Oates and Tom Schlageter and scored another to add to the total already made by Larry Gagner, Charlie Cobb, and Bobby Becker.

November 22, 1961

New Smyrna — In an easy 43-6 victory over old rival New Smyrna, the Sand Crabs could do no wrong. Seabreeze intercepted four Barracuda passes and captured three Cuda fumbles to set up several scoring opportunities. In addition, the Crab runners racked up 362 yards on the ground to end our regular season with an 8-1-1 record.

"Smilin' Jack

As is customary, the Seabreeze basketball team always comes up with a winning record. This year with another outstanding record, the Sanderabs carried on the winning tradition under the direction of Head Coach Jack Surrette and his capable assistant, Jerry Chandler. The Crab hoopsters last year won the Group and State Class A titles. Together these two men mold the team into one characterized by the skill and good sportsmanship always recognized at Seabreeze.

1948-49-50-51-59-61 STATE CHAMPS

Here at Seabreeze we have one of the best athletic programs and by far one of the best records of any high school in the state. In football, basketball, baseball, tennis, track—no matter what the sport—the Sandcrabs always take top honors.

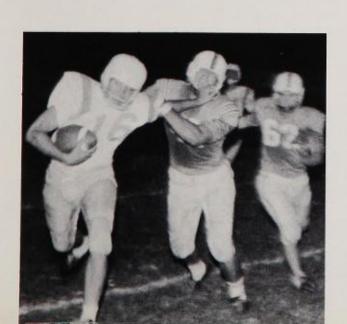

In football the Crabs have triumphed in the past years and have become a major power throughout the state. Our gridiron men are the victors of two Beach Bowls, in 1960 34-21 over Wildwood and in 1961 40-7 over Apopka, and have a 19-2-1 record for these years. With these victories, the Sandcrabs have claimed the mythical State Class A Championship. In football our Crabs can't be beat!

In basketball "Seabreeze has the SYSTEM!" The Sandcrab hoopsters are probably the most well-known and feared team in the state. They have won 16 Group titles and have earned the State Class A Championship 6 times. The run of Seabreeze state championships in 1948-49-50-51-59-61 is a record unequaled in Florida. The most recent win was last year when the Crabs defeated Choctawhatchee 85-75 in a free-scoring title contest. This year, after defeating archrival Deland in the Group Tournament, the Sandcrabs made their seventh bid for the State title, but were defeated in the first round 58-54 by Lake City in a heartbreaking overtime game. The Crabs, who had defeated Lake City twice in regular season play, just couldn't do it again, and wound up the season with a final record of 22-4. Even though no one can win all the time, don't ever underestimate the Sandcrabs. In the future, as in the past, there will be more fine basketball players to carry on the winning tradition.

In tennis the Sandcrabs also reign supreme. Seabreeze is thought by many to have the best girls' team in Florida. They have twice captured the State crown, most recently in 1961. Under the brilliant direction of Mrs. Gail Stewart, who has been nationally recognized by receiving the National Service Award, the racqueteers have gone undefeated for 4 years.

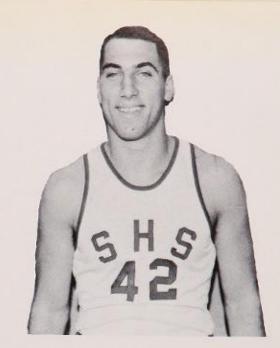

In our other sports such as track, baseball, swimming, and golf, the Crabs are always tough competition. Many state records are held by the Sandcrabs, and in the future our teams and individuals will continue to make and break new records.

Much of the success that is enjoyed by the Sandcrabs is due to the coaches, managers, and to our Athletic Director, Mr. Joe Nelson, but those contributing the most are the teams themselves. They have that Seabreeze spirit and school pride which sends so many of our teams on to victory!

Queen Sue Phelps and King Bill Bass

Dr. Paul Edris crowns the king and queen.

"SHALL I TELL YOU THAT IN THE EVENING THERE WAS A HOMECOMING GAME under the lights, and the Sun was down and it was cool again, and the sweater felt good

again when I put it on?

Shall I tell you that the Marching 100 band came through the gate and the band was playing "Dixie" and all around people stood and cheered and felt good in the crisp air; and the band played "Hey, Look Me Over!" and I laughed because they were strutting and cocky and knew they were good and entertaining; and the girls who were leading the band were so pretty that people caught their breath; and the high school kids were whooping it up and the old grads were playing it conservative and shaking hands all around with old friends, and asking how the children were and how the job was going?

I'd better tell you that floats followed the band, and the Homecoming Queen came in and circled the track by the field in a convertible with the top down, and following the Queen was her court.

And I should tell you that the team came on the field led by the peppy cheerleaders in a snake dance, and the team was led by its captains who ran through a paper covered hoop that begged the home team to "Beat The Terriers," and you could tell that they meant to do just that, and the band played the National Anthem just in time to keep the "roof" from blowing off.

Finally I should tell you that the home team scored three touchdowns so fast that the air didn't seem so crisp and the sweater started to prickle the skin again; and of course that's the way the home town folks like the homecoming game to go, and even the subs got a chance to shine.

It was so light inside the stadium that it seemed very dark outside the stadium, and crisp again, and time for the sweater again, and the cars blinked on the lights, and all the drivers caught up in a happy mood were very polite and let other cars fall into the traffic stream as they drove away from the stadium.

And on the way home I drove along the river and of course it was late and very dark, and things were done for that day, and I knew it was the end of the day because lights were going out in the houses and no other cars were on the road, and once in a while the headlights would send back the reflection of a little animal.

It was a day to remember.

BAND FLOAT

TRI-HI-Y

KEYETTES

"Beauty is in the eye of the beholder," and every eye beheld beauty in the 1961 Homecoming parade — a Roman beauty, Dana Kahn, on the Sub Deb float; a Southern belle, Donna Munro, on the Tri-Hi-Y float; and a theatrical beauty, Louise Weadock, on the Thespian car.

First Place AWARD OF VICTORY Senior Class

Second Place RACE FOR VICTORY Sub-Debs

Third Place MAKE 'EM BEG D.C.T. HOLLY

Queen Kathy and King Ben

The sound and feel of Christmas . . . lighted Christmas trees on a Christmas stage — dim lights, lilting music played by Bob Dunaieff's band — Christmas goodies; beautiful girls in lovely gowns — tall men, strong and handsome — King Ben Dyer, Queen Kathy Spence. Beautiful, nostalgic, memorable, The Holly Hop.

MISS SEABREEZE

The date was Friday, January 19; the place - Seabreeze Auditorium; the event - the annual "Miss Seabreeze" contest sponsored by the "Sub-Debs." Gracing the student body with their talent and beauty were these 18 contestants. Stephanie Counts, sponsored by the Wheel Club, was selected "Miss Seabreeze -1962" for her hilarious performance as an old maid first grade school teacher trying to bring her class to order. Second place was won by Judy Clark, sponsored by the Junior Class, who presented a baton twirling routine accompanied by a dance, and Sue Phelps, sponsored by Hi-Y, captured third with an original monologue on T.V. commercials. Completing the atmosphere and splendor of the contest was the Tri-Hi-Y's unforgettable "Coronation Ball," where the crowning of "Miss Seabreeze" took place.

2ND PLACE: JUDY CLARK

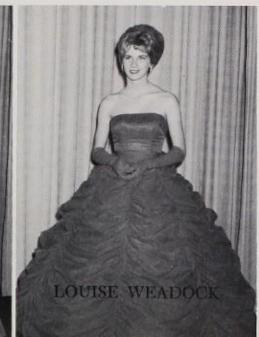

3RD PLACE: SUE PHELPS

BOO KIRKLAND

"SWINGING HIGH"

As the lights were lowered, the curtains opened onto the first combined musical comedy presented by the band and glee club — "Swinging High." Mr. Macduff (Al Goodrich), the stern, tyrant principal, invaded the high school with his Macduff System which abolished sports and outside activities, and enforced the need for education and studying. He was hated by the students and teachers as well. He tells of his girl in Tiajuana, falls in love with Miss Pinkerton (Roseanne Anderson), and finally brings back the sports and activities.

SWEETHEART SWING (and it swung!!)

As they danced to the swinging sounds of the combo consisting of Noel Fidel, Bob Adams, and Eddie Hartje, these starry-eyed couples not only celebrated Valentine's Day, but also a decisive victory over Kentucky Military Institute. Sponsored by the sophomore class, this dance was typical of the many football and basketball dances held in the cafeteria.

"THE UGLY AMERICAN"

Bright lights, grease paint, and a mass of confusion — these compose the backbone of every play. Thus was the Thespians' play this year, "The Ugly American," directed by Lillian Trawick. Set in the little village of Sarkhan, it was the story of Americans competing with Communists in attempting to convince the natives that democracy is the only way to assure advancement and progress. Suspense and mystery, combined with comedy and romance, made for a highly successful production.

"LET THE TREE BE LIGHTED" . . .

"Let the tree be lighted" marked the traditional lighting of the Seabreeze Christmas tree, the gift of the senior class to the school and community. Christmas carols, prayers, and a dedication made it a memorable occasion.

LAST WILL AND TESTAMENT

We, the Senior class of 1962 of Seabreeze High School, being of sound mind and memory, but feeling that we are soon to depart from this world because of overstudy and worry, and realizing that we possess multitudinous privileges, great and numerous accomplishments, endowments, et cetera, which we are exceedingly eager to see divided freely and fairly, do hereby make, declare, and publish, this, our Last Will and Testament, hereby revoking and annulling any and all prior testamentary papers which have hitherto been made by us.
